

Family Wealth & Succession Planning

Member of SW Private

Our Family Wealth & Succession Planning team has expertise and experience in providing practical advice and solutions to private clients of different backgrounds, including entrepreneurs, executives, expatriates, and high net worth individuals in the wealth succession, planning and asset preservation arena.

Family Wealth & Succession Planning

- › Administrative proceedings
- › Advising executors, trustees and beneficiaries
- › Handling a full range of contentious and non-contentious domestic and cross-border succession work (probate and letters of administration) and estate administration (including PRC matters)
- › Preparing Wills, enduring powers of attorney
- › Providing incidental advisory work, including preparation of deed polls, incidental tax advisory and family arrangements
- › Setting up trusts
