

Real Estate

Stevenson, Wong & Co. has more than 40 years' experience in handling various types of property work, ranging from large development projects to small village houses. We put emphasis on quality and accuracy in our service in order to best meet clients' needs. Equipped to handle matters ranging from difficult title issues to sophisticated asset planning, we also have a wealth of experience in handling PRC projects and the sale and purchase of properties. Our firm is on the panel of most banks and financial institutions for conveyancing and mortgage work.
