

Corporate Commercial Law, Corporate Services

To operate in Hong Kong, companies must comply with rigorous legal requirements, including having a company secretary. Efficiently handling such requirements is only part of our offering; our one-stop corporate and legal service offers clients comprehensive support in all aspects of commercial law. Our highly experienced team is familiar with Hong Kong, mainland China and international commercial law. As a ready source of legal knowledge and insight, we can provide an invaluable resource for your company.

Company formation

- › creating corporate structures
- › the setting up of representative offices and the incorporation of companies in China (including Hong Kong and Macau), as well as a range of overseas jurisdictions (including Australia, Bermuda, the British Virgin Islands, Canada, the Cayman Islands, England, France, Singapore, USA and Western Samoa)

Company secretarial service

- › providing registered office facilities (for companies incorporated in Hong Kong)
- › acting as process agent
- › opening bank accounts
- › performing interim maintenance of company books
- › reviewing and updating statutory registers

General commercial matters

- › providing shelf companies
- › providing nominee directors and shareholders services
- › advising on tax effective corporate structures, mergers and acquisitions and direct investments

Charities and foundations

- › advising on the organisation of charitable foundation, settlement and donation structures
- › arranging fully tax-deductible donation status
- › establishing and restructuring of medical, educational and religious institutions
- › setting up charities and foundations

Foreign investments enterprises

- › creating joint ventures and wholly foreign owned enterprises in a range of industries with tax planning considerations
- › setting up representative offices
- › Closer Economic Partnership Agreement (CEPA) advice and support services
