

Philip Tsang

Consultant

Practice Area:

TMT, Healthcare, Intellectual Property

Philip Tsang was admitted as a solicitor in Hong Kong in 2001 and in England and Wales in 2005. He is also a qualified Greater Bay Area Lawyer. With over 20 years of experience in technology and intellectual property law, Philip has had the opportunity to advise and assist various local and international famous brands and tech giants, helping them navigate complex legal landscapes and protect their valuable innovations.

Philip is also a tech entrepreneur, having co-founded a health-tech company that develops innovative software applications for patients and medical professionals. Philip has firsthand experience navigating the challenges and complexities faced by innovative companies. This gives him a deep, insider's understanding of the business and technology landscape that allows him to anticipate potential issues and provide tailored, proactive legal advice. Drawing on this experience, Philip now serves as the Vice President of the Hong Kong Cyberport Startup Alumni Association, where he provides support and assistance to aspiring entrepreneurs building technology-driven businesses. Philip has been awarded the 5th Guangdong-HK-Macao GBA Outstanding Young Entrepreneur Award.

Philip's interests extend beyond the legal and business realms. He is also an accomplished photographer and is a co-founder of AsiaWPA, one of the world's largest association of professional photographers and videographers. Philip's ability to understand the perspectives and legal needs of both artists and art investors allows Philip to facilitate mutually beneficial transactions and collaborations, ensuring that clients are able to protect their interests and maximize the value of their art-related investments.

Philip is a frequent speaker on a variety of legal and business topics, sharing his knowledge and insights with a diverse range of clients and industry professionals.
